

# THE INKJET SOLUTION

## INKS & PRIMERS

Our inkjet inks adhere to a number of substrates as well as offer unique qualities such as edibility, flexibility and FDA compliance.

We offer a variety of primers to provide optimum printed results on a wide range of products. Adhesion testing is available upon request.

Glass  
Stainless steel  
Plastics  
Coated metals

## SPARE PARTS & TOOLING

Spare parts for our digital equipment are kept in inventory and ready for delivery; orders typically ship within 24 hours.

Need custom tooling for your printing application? We can make it for you! Send us some sample products and we will create a fixture that works for your production line.

## AUXILIARY MACHINES

In addition to our machines, inks and solvents, we offer auxiliary machines to assist with further adhesion requirements and primer application. Our auxiliary machines range from flame-treating equipment to primer spraying devices.
